**PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON
FAILURE TO RECEIVE OFFICE ACTION**

Mail Stop: Petitions
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Pursuant to 37 C.F.R. § 1.181 and MPEP 711.03(c)II, Applicants hereby petition to withdraw the holding of abandonment in the above-referenced Utility Patent Application for failure to receive an office action. Specifically, our office did not receive the Notice to File Missing Parts mailed by the U.S. Patent and Trademark Office ("PTO") to Applicants on May 29, 2001. Applicants' first notification that the PTO had mailed an Office Action was the receipt of the Notice of Abandonment, dated December 2, 2003, for failing to reply to the Notice to File Missing Parts.

1. Attached, is an affidavit by the undersigned, Karl A. Vick, attorney with GE Industrial Systems, attesting that upon examination of the subject application's jacket and docket records, Applicants' file indicates that the last correspondence received from the PTO is the Filing Receipt dated May 29, 2001, and does not include the Notice to File Missing Parts, dated May 29, 2001.

2. This Petition is being filed within (3) months of the Applicants' first notification of abandonment.
3. Attached hereto is a copy of the GE Industrial Systems' docket report establishing the Filing Receipt was docketed in the subject Application and the subsequent entry for filing a response to the Notice to File Missing Parts was not docketed, indicating GE Industrial Systems, did not receive the Notice to File Missing Parts, dated May 29, 2001, and accordingly was not aware that a reply was due on or before July 29, 2001.

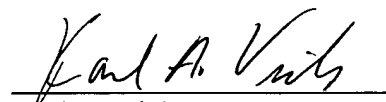

Applicants respectfully submit that Applicants' file jacket, and GE Industrial Systems' docket report are evidence in support of the Applicants' declaration that the Notice to File Missing Parts was never received. Therefore, pursuant to 37 C.F.R. § 1.181 and MPEP 711.03(c)II, Applicants respectfully request that the holding of abandonment for failure to reply to the Notice to File Missing Parts be withdrawn.

If Applicants' Petition pursuant to 37 C.F.R. § 1.181 and MPEP 711.03(c) II, is not granted, then pursuant to 37 C.F.R. §§ 1.316 and 1.137(b), and MPEP 711.03(c) III, Applicants hereby petition to revive the subject patent application as unavoidably abandoned. The following authorization and statement are provided in accordance with 37 C.F.R. 1.137(a):

- (1) The entire delay in the filing of the required reply from the due date for the reply until the filing of this petition was unavoidable.
- (2) The Commissioner is hereby authorized to charge deposit account number 01-2384, for the \$130.00 Petition fee set forth in 37 C.F.R. § 1.17(l). If \$130.00 is not the correct fee, then the Commissioner is hereby authorized to charge the correct fee to deposit account 01-2384. (A duplicate of this petition is enclosed.)

For the reasons set forth above, Applicants respectfully request that the holding of abandonment be withdrawn, or in the alternative, that the subject application be revived.

Respectfully Submitted,

A handwritten signature in cursive script, reading "Karl A. Vick", is written over a horizontal line.
